APPENDIX~~CONFIDENTIAL~~

BLACK PANTHER PARTY,
Also Known As
Black Panther Party for Self-Defense

According to its official newspaper, the Black Panther Party (BPP) was started during December 1966, in Oakland, California, to organize black people so they can take control of the life, politics and the destiny of the black community. It was organized by BOBBY SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense. NEWTON was sentenced in 1968 to serve 2 to 15 years after being convicted of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther", which further describes itself as the "Black Community News Service", states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, GEORGE MASON MURRAY, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement "...we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

APPENDIX~~CONFIDENTIAL~~COMMUNIST PARTY, USA (CPUSA)

Title 50, USC, Section 781 (Internal Security Act of 1950) stated that, as a result of evidence adduced before various committees of the Senate and House of Representatives, Congress found the existence of a world communist revolutionary movement, whose purpose is to establish a communist totalitarian dictatorship in the world's countries through the medium of a world-wide communist organization. Communist action organizations in various countries endeavor to carry out the objectives of the world communist movement by bringing about the overthrow of existing governments by any means. The communist organization in the United States -- the CPUSA -- pursuing its stated objectives, presents "a clear and present danger to the security of the United States." The Subversive Activities Control Board, established by Section 791 of the above Act, found the CPUSA to be a communist action organization. This finding was upheld by the United States Supreme Court in June, 1961. The CPUSA has continued to be an arm of the international communist movement dominated by the Soviet Union. The CPUSA, in its dependence on the Soviet Union, has never knowingly adopted a position contrary to Soviet policy. Its leaders frequently confer with Soviet leaders to receive guidance and direction on the policies the CPUSA is to follow. There has been no evidence that the primary aims of the CPUSA, as they conform to Soviet objectives, have changed over the years.
